A message from the president...Just Jerry

Well CCFF Members "Rambling Rob" has been replaced by "Just Jerry". Now that you have gotten the bad news, we will move on to the good news. I want to thank "youal" for your participation in the past and look forward to working with you in the future. I hope that we can have fun fly tying, fishing, educating and preserving the resources for your grandchildren and mine. We have some very exciting events coming up. Some of the high points are fly tying sessions, trips to Bennett Springs (with CCFF and with the Cole County Sheriff's Officers), the annual banquet, help provided to J.C. Bassmasters at Bender Park with the Annual Kids Tournament, our Stream Team clean-ups and monitoring, CCFF representation at various conclaves and most of all, the work that CCFF provides for the Cole County Sheriff's DARE program.

As a charter member of the CCFF I have seen the group grow and do a lot of good work while participating in my favorite hobby. With this kind of effort in the future, we can have more fun while catching fish. This club represents a lot of knowledge of fishing. Be sure to put on your schedule the Feb. 1 trip to Bennett Springs. There are many members in the club that spend a lot of time down at Bennett and you might get some of them to give some advice about what flies to use. They probably won't let you know where their favorite hole is but if they did it all you might get bored very quick. Good luck.

Another upcoming event that is coming up is our Annual Banquet which is scheduled for the first part of April. Rob Souden has agreed to co-chair the Banquet Committee. This event is our largest source of income and takes a lot of help. When Rob asks for a hand, give him more than a clap. Join the fun.

Remember that most of us fish for enjoyment and not for food because if we did, the wife would get very hungry.

Fish Tales

Jim Farthing has some real good luck on his latest outing. He said it was the best he had done with a fly rod. This means the fish are still biting even though it isn't the best weather for it lately.

Club Outing

There will be a club outing to Bennett Springs State Park on February 1st. The ones wishing to go will meet at Schulte's at 7:00 a.m. on February 1st. Mary Stone will be the contact to see if the trip is still on. If the weather gets to bad the trip will be delayed one week until February 8th. Most of the people plan on stopping at Kay's to eat breakfast before continuing on to the park. If you have any questions please contact an officer or board member to get more information.
