

I'M BACK

Things are a little less hectic for me, so I hope to keep up a little better with the newsletter going forward. Thanks to those that have submitted content. If you have anything you think might be good for the newsletter such as, information, pictures, stories, and/or dates, please send it to me.

NEXT OUTING

Be aware of the date! It is a little earlier in the month than normal.

This Thursday, June 8, we will be trying again to have our pizza party/fishing event at Roy Copeland's lake. Watch for signs (north of Gerbes on 179). We will eat around 6:00. Tea and water will be provided. In case of bad weather, watch for e-mail updates. If you can think of anyone that does not have email, please let them know.

FLY TYING EQUIPMENT

Everyone, please check your fly tying tools to see if you might have inadvertently picked up anything extra. The club is missing 5 bobbins and 5 scissors. I'll be checking mine tonight!

MORE HELP NEEDED

Jerry Kemple was sent the following Email:

Hey Jerry,

Our annual Kids Fishing Day and the Conservation Headquarters is scheduled for Saturday, June 24, and we would love to have the help from you and any other Capital City Fly Fisher!

Would you be able to help spread the word? Information can be found in the attached document and online at <https://short.mdc.mo.gov/ZiY>. Anyone that is able to help can contact me directly for more details.

Thanks and let me know if you need anything else,

STREAM TEAM

Jeff Holzem shared the following information with me awhile ago and I wanted to make sure it still got out:

Brian McKeage contacted **JJ Gates** at Parks and Rec about McKay Lake erosion. JJ is considering a concrete wall along the dam, possibly with handicapped access. Other alternatives are rip-rap and vegetation. I will keep following up and updating you.

If you are starting to fly fish or looking for new places, check out MDC's Fishing Prospects at: <https://fishing.mdc.mo.gov/>. The 2017 version will report on 60 lakes, 37 rivers and the four trout parks.

LAST MINUTE TRAVEL OPTION

If you are looking for something to do June 19-23, I have booked some rooms in Branson, MO. That is check-in Monday and check-out Friday. I had hoped to organize a few people earlier, but that has not work out. Available are studio rooms for two. If you want to go with me, that's great, I'm going down to fish, maybe tie some flies, and relax. If you want to come down at your own pace or bring your spouse, that's great too. Branson has a lot of different things to offer. If you know of anyone else outside the club that may be interested, let them know as well. In order to recoup some of the cost I would like to get \$175 for the 4 nights and 5 day stay. Less than \$50 a night! If you are at the Pizza Party on Thursday come find me or just send an email back my way. Property is The Falls Village, which has a lot of amenities and close to everything.

Thanks, Greg

BRANSON FLY FISHING EXPO

Friday and Saturday, July 28 & 29, from 9 am to 5 pm will be the Branson Fly Fishing Expo. It will be similar to the Sowbug Roundup and Tri-Lakes Fly Fishing Fair. Admission is \$2 per person of \$5 per family. 1015 E State Highway 76 at the Lions Community Building.

If you are going and need lodging I can still get space booked. Trying to use up the annual value of a timeshare before getting rid of it.
