## 10th Anniversary Newsletter

*Piscator non solum piscatur*

September 2006

### From the President...

#### **Hooked on Fly Fishing Not on Drugs**

Callaway County R-II Middle School program entitled Hooked on Fly Fishing Not on Drugs will be held each third Wednesday afternoon. The program begins immediately after the normal school dismissal time of 3:00 p.m. Any CCFE member interested in assisting this year is invited to attend. Check in at the front office before proceeding to Regina Van Patten's classroom. After all, it is a simple matter of school security protocol and courtesy.

#### **26<sup>th</sup> Southern Council Conclave**

The 26<sup>th</sup> Annual Conclave of the Southern Council of the Federation of Fly Fishers convenes on October 5-7, 2006 in Mountain Home, Arkansas. Pre-registration ends on September 15<sup>th</sup>. Additional fees apply after that date. There is plenty to do and see this year. For more information regarding the activities being held, see the council Web site at <http://www.southerncouncilfff.org> for more information. There are several drawing prizes this year, Larry Murphy has tickets which will be available at the next meeting for the River Boat Drawing. Tickets are 1 for \$5, 4 for \$15, and 6 for \$25; if you are interested.

#### **Election of New Officers**

It is time to start looking around for new officer candidates. If you have a desire to run for a specific office, let your intentions be known. If you are willing to serve on the nomination committee consisting of one board member and two club members, please declare it at the upcoming meeting. Nominations are declared in October. Elections are normally held in November.

#### **Future Planning**

It is appropriate to start thinking about potential upcoming events for the upcoming year. Bring your suggestions to the meeting and share them with Vice-President Ed Farnsworth.

#### **Montauk Outing**

September 15-17, 2006 is the date of the next quarterly outing. It is to be held at Montauk State Park, home of some fine trout fishing. Lee Kudrna and Jim Farthing have accepted the responsibility of organizing the event. It should be a busy weekend with special events occurring at the state park over the weekend. See our Web site for more outing information.

#### **BOW at Potosi**

Dr. Gary Eaton and I conducted a three-day workshop for the Becoming an Outdoors Woman program at the famed YMCA Trout Lodge near Potosi, Missouri during the last weekend of August. On Friday morning, I taught a fly tying class. On Saturday morning, we taught the fly fishing basics class, including a good field trip to a local stream for macro invertebrate studies. We collected several specimens and discussed these as a valuable food source. On Sunday morning, Gary Eaton conducted a fly casting lesson. Much was learned by all present. One of the students was a gifted art educator from the Arnold area and is very interested in starting a Stream Team for her school. We discussed the Hooked on Fly Fishing Not on Drugs Program in Mokone. And she plans to approach the Ozark Fly Fishers for help in organizing the effort.

*Remember to not be afraid to let your line or your efforts go into the backing.*

Larry Murphy, President

## Club Calendar

### September 2006

- 12 -- **Club Mtg** 7pm @ Runge Nature Center, Larry Griffin, Steelhead Fishing in Michigan.
- 16-17 -- **Quarterly Outing** Montauk State Park. Lee Kudrna and Jim Farthing will be organizers for the event. Responsibilities include arranging for camping and cabin reservations, food selection for common meals and planning of activities and schedules.

### October 2006
