

MESSAGE FROM THE PREZ

Hope everyone has had a great summer with friends and family. Now that the kids and grandkids are back in school, maybe we can all find more time to fish!

The next MayFly events are scheduled for September 13 and October 4 at the church behind the Dining Lodge at Bennett Spring State Park. We usually start with dinner at the Lodge around 5:00 p.m. and tie flies from 6-8:00 p.m. Anyone is welcome to join us. Please see the attached flier.

September 27 is Ladies Mixer at Larry's in Bennett Spring State Park. Sarah Havens' is hosting an evening of socialization. She will have refreshments and attendance prizes. This evening precedes the Ladies Fish Day in the park on September 28. A special area will be designated for Ladies Only Fishing. There are several activities available along the stream including fly tying by volunteers from Capital City Fly Fishing. Bring your wife or significant other down to the park for a day dedicated to bringing the sport of fishing to one of the park's underrepresented groups.

On September 28, Ladies Fish Day, we need volunteers to tie flies and help ladies at the stream. There is always a need to help someone land a fish or casting tips. The help is always appreciated.

On October 5 at Hidden Valley Outfitters, Capital City Fly Fishers will be manning a fly tying table at the Redington Homewater Event. Again, this is a fun day for anyone who can volunteer. I also have tickets available for the evening attendance prizes. You don't need a ticket to attend, only if you are interested in a door prize.

Plateau Fly Shop in Springfield is offering a rewards program for the fly club. If you are in the market for fly fishing equipment or supplies, be sure to mention CCFE so the club gets credit. Remember they do offer shipping.

Weaver's at Bennett Spring is selling Dead Set hooks for \$5.95 for 50 and they are similar to DaiRiki hooks. They also offer shipping.

We have reached that part of the year where we need to get a slate of officers for 2020. If you are interested in the future of the club, you might consider volunteering for one of the officer slots. The directors are in charge of creating a list of officers, so let them know if you are interested.

See you Tuesday night, Mike Jaegers

STREAM TEAM UPDATE

Once again it is time to get ready to go to Saline Creek to check water quality and look for fish. John and I are ushering at Mizzou football games and there are a string of home games. Let's plan on October 19 or 26. It will be a chance to enjoy a fall day on the stream with friends and have the satisfaction of knowing we are doing something good for fishing. Please let me know if you can help.

A few guys have taken the introductory class and are eligible for level 1. Good news, a class is scheduled in Jefferson City. Let me know if you have questions. I think everyone who took classes is glad they did.

REDINGTON HOMEWATERS

We would like to invite you to the Redington Home Waters event being held at Hidden Valley Outfitters in Lebanon Missouri on October 4th and 5th. This is your opportunity to try out all the new offerings from Sage, Redington, and RIO. We will be set up on the banks of the Niangua River which will give you the chance to demo the products on the water. Professionals will be available to answer any and all of your questions pertaining to equipment and techniques.

We will also be joined by other vendors including, Blackstrap, Jackson, Hobie, Wilderness Systems, and NuCanoe Kayaks brought to you by Ozark Mountain Trading Company, Grundens, Terry and Roxanne Wilson, Artist Laura Wemhoener, Red Wheel Bike Shop among others. There will also be representatives from other clubs and organizations on hand to let you know what's going on in the fly fishing, conservation and species specific world, around your home waters. Groups like Trout Unlimited, MDC, Capital City Fly Fishers, and Missouri Smallmouth Alliance will be available to answer any questions or let you know what you can do to get involved to better our local streams and waterways.

*Saturday evening at 7:00PM, the event will culminate with an outdoor showing of the popular **Fly Fishing Film Tour (F3T)**.*

*This event is **FREE** to the public and everyone is invited. **COME FISH WITH US!***

Attached is a schedule and poster for the event along with a link to the F3T.

WHERE TO GO FROM HERE

I have been with the fly club for a few years now and every year up until this year we have planned a weekend club trip to The White River in Arkansas. For whatever the reason interest has dropped the last couple years. I have always enjoyed the camaraderie of these trips and the experiences shared with friends.

In an effort to try and plan a group trip or maybe even a few smaller group trips for next year, I would like to hear from you. Not everyone can make it to the monthly meetings to discuss topics, so I am asking for your help here. I want to know where you might be interested in going. What time of year works best for you? Can you go during the week, on the weekend, or just overnight? Would you be interested in going to a location that has other activities other than fishing, so your significant other might come along? Would sharing a ride make it easier for you to travel? Please share any information you would like to help for possibilities for next year.

Just reply back to this post. I need your help to gather information. Thanks in advance, Greg
